Spanish Peaks Arts Council (SPACE) is a non-profit community based organization dedicated to support and enrichment of the arts and art education in the Spanish Peaks region of southern Colorado.

In addition to hard working community volunteers, resources which support SPACE activities include memberships, donations, and sales from our Gallery and Gift Shop, as well as vendor fees at Art in the Park.

The Gallery displays the works of regional artists in a variety of changing exhibits throughout the year, while the Gift Shop provides artist members a year-round outlet for their arts and crafts.

SPACE is not limited to the visual arts. Theater, dance, writing, and music have also been promoted through programs for the entire community, many of which are free. The programs offered by SPACE are dependent on volunteers to provide them.

Volunteers are needed in order to provide more programs, especially musical programs.
