The Spanish Peaks Arts Council is a 501(c)(3) nonprofit organization, whose designation is education. We strive to educate both the public as well as beginning artists in many aspects of the art world. One of our objectives is to instruct artists in how to prepare artwork for entering art shows. When artwork is submitted for a SPACe show, it will be examined to make sure the art is properly presented for display in a gallery. The artist will be apprised of any unsatisfactory aspects of the presentation (framing etc) and asked to make corrections. SPACe endeavors to provide a limited amount of materials for framing in the upstairs workspace.

We require wires securely attached to the back of hanging artwork. Other types of hangers do not work with our hanging system. Artwork may fall off the wall or is too difficult to hang without a wire. Please don't hesitate to ask one of our staff to advise you.
